LATIGO

GENUINE BISON LEATHER

COLLARS AND LEADS

These may look like other 'latigo' collars you find in other stores, but make no mistake, they are not the same. We take our traditional latigo tanning formula and apply it to our best Bison Hides to make a rugged, yet uniquely soft Tradional Latigo tanned Bison Leather. Spikes and studs give these unique collars a truly tough look.

Rack and Header Available!
